

COLLINS SIXTH GRADE PARENTS!

This is the moment you have all been waiting for.....

YOUR CHILDREN WILL BE PRESENTING.....

A Mini-Band Performance!

What? A short performance with band instruments to "wow" you with what they have been learning in music class all year

Where? Collins Elementary Gymnasium

When? Thursday, June 16, 2016 at 9:30 a.m.: Sixth Grade Graduation Celebration

Why? Because you will be dazzled by how GREAT your children sound after their first beginning band experience and also because they are GRADUATING !

*Please note: It is especially important that your child PLEASE remember to bring his or her instrument on TUESDAY, JUNE 14, for a FIRST THING IN THE MORNING "All Band Practice" in the gym from 8:35-10:15. They will also need to remember to bring their instruments again on Thursday, June 16 for their Graduation Performance.

See you at the celebration!

PLEASE READ BACK: INSTRUMENT TURN IN INFORMATION!

INSTRUMENT TURN-IN INFORMATION

After our Graduation Band Performance, on Friday, June 12, it is extremely important that **borrowed or rented** instruments be immediately returned to the music room. After the graduation reception, please make sure your child visits the music room to return his or her borrowed or rented instrument. If your

child is renting, please do not turn the instrument in before graduation! I don't have any "extras" left in the music room to borrow for their performance ☹.

There will be signs that show students where to place their instruments.

- Borrowed from me: place under the sign: "Ms. Johnson's Instruments" (near desk)
- Borrowed from Plumbrook, Collins, Heritage, or Mrs. Sonnenberg: place in front of the tall cabinets that say "Music Word Wall". Place under the sign: "Plumbrook---Collins---Heritgae Instruments".
- Rented from A & G Central Music: place in the BACK of the music room, under the sign: "A & G Central Music Rentals" sign.

If you rented an instrument from A & G Central, and are turning it in, please make sure you label the instrument with your child's name and your family name. Mr. Meier, from A & G Central, will make one stop at Collins on Thursday Afternoon, June 16, after graduation is over, to pick up the instruments. If your child's rental instrument is not there, you will need to make other arrangements on your own to deliver the instrument back to A & G Central if you are turning it in. You may wish to consider continuing to rent the instrument if your child signed up for 7th Grade Band. Remember your instrument you rented is on a "rent to own" plan!!!!

Please make sure you CHECK THE CASE to see if it says Amanda Johnson, Hewitt's Music (usually on a tag), Plumbrook, Collins or Heritage and place the instrument in the proper spot in the music room ☺.
